2. The Company recognizes that CPNI includes information that is personal and individually identifiable, and that privacy concerns have led Congress and the FCC to impose restrictions upon its use and disclosure, and upon the provision of access to it by individuals or entities inside and outside the Company.
3. The Company has designated a CPNI Compliance Officer who is responsible for: (1) communicating with the Company's attorneys and/or consultants regarding CPNI responsibilities, requirements and restrictions; (2) supervising the training of Company employees and agents who use or have access to CPNI; (3) supervising the use, disclosure, distribution or access to the Company's CPNI by independent contractors and joint venture partners; (4) maintaining records regarding the use of CPNI in marketing campaigns; and (5) receiving, reviewing and resolving questions or issues regarding use, disclosure, distribution or provision of access to CPNI.

5. Before an agent, independent contractor or joint venture partner may receive or be allowed to access or use the Company's CPNI, the agent's, independent contractor's or joint venture partner's agreement with the Company must contain provisions (or the Company and the agent, independent contractor or joint venture partner must enter into an additional confidentiality agreement which provides) that: (a) the agent, independent contractor or joint venture partner may use the CPNI only for the purpose for which the CPNI has been provided; (b) the agent, independent contractor or joint venture partner may not disclose or distribute the CPNI to, or allow access to the CPNI by, any other party (unless the agent, independent contractor or joint venture partner is expressly and specifically required to do so by a court order); and (c) the agent, independent contractor or joint venture partner must implement appropriate and specific safeguards acceptable to the Company to ensure the confidentiality of the Company's CPNI.
6. If a customer calls Company requesting information that is considered CPNI, Company does not release such information unless customer provides a pre-established password, requests that the information be sent to the customer's address of record, or Company calls the telephone number of record and discusses the requested information.
7. Without customer approval, Company does not use, disclose or permit access to CPNI to provide or market service offerings within a category of service to which the customer does not already subscribe, except as permitted by the FCC rules.
